To recognize and celebrate Nigerian Nurses & Midwives all over the world this year ("the Year of the Nurse), the Nigeria Federal Ministry of Health (FMOH), Nursing and Midwifery Council of Nigeria (NMCN), National Association of Nigerian Nurses and Midwives (NANNM) and the National Association of Nigerian Nurses in North America (NANNNA) will jointly host International Nursing Conference, August 9th -15th, 2020 at the Nigerian Air Force (NAF) Conference Center & Suites Abuja, Nigeria.

**THEME: The Future of Nursing and Health Care: A Global Perspective**

This conference will be held from August 9th -15th, 2020 at the Nigerian Air Force (NAF) Conference Center & Suites Abuja, Nigeria. The overall objective of this conference is to draw attention to Nigerian Nurses and Midwives as vital stakeholders in the Nigerian healthcare system, to recognize their contributions to National Development, and acknowledge their individual and collective achievement. The program will bring together nurses with expertise in policy, research, leadership and practice from across the globe to share and discuss strategies for advancing effective support and systems of care for Sustainable Development Goals and Universal Health Coverage through nursing.

A healthy nation is made possible by the leading role of the nurses in that nation. Nigerian Nurses cannot play this role unless they are empowered. Empowerment is made possible by education, information and participation.

This conference will facilitate innovative exchange across systems, sectors, and countries to advance programs, services, and strategies in raising the profile of nursing in Nigeria. It will highlight the importance and need for: more well-educated nurses; removing barriers to nursing education and practice; and development of advanced practice nursing roles that are proving highly effective for expanding healthcare coverage.
During this four-day gathering in Abuja, Nigeria, Monday, August 10 – Saturday, August 15, 2020 participants will learn innovative strategies in nursing practice and education and the future of nursing. From nurse educators in academia to health care practitioners in clinical settings and students, there will be something for everyone!

**CONFERENCE OBJECTIVES**

At the completion of the program, the participant will be able to:

1. Describe the transformational changes in healthcare & opportunities for nurses.
2. Discuss opportunities and strategies for advancing health through nursing.
3. Highlight the current trends in Health Information Technology
4. Identify strategies for improving Patient Experience of Care
5. Identify innovations in coaching and mentoring future generations of nurse leaders
6. Describe strategies for implementing measurable interventions for nursing in Nigeria
7. Describe Global Health Partnership opportunities for collaboration for effective health outcomes

**Subthemes:**

Successful applicants will be notified on or before May 15th, 2020. All presenters must register for the conference in order to present their poster.
Recommendations for Effective Scientific Poster Communication

- Don’t overload your poster. Remember you are not writing an article.
- Seek simplicity; keep text to a minimum and avoid redundancies.
- Be sure your poster attracts attention, emphasizes important points, reads easily, and stimulates interest. Use, but don’t overuse, bold fonts and colors.
- Facts should be printed in single phrases or words.
- Define unfamiliar or complex terms as simply as possible.
- Use pictorial or graphic illustrations to clarify and enhance a message. Figures and tables should cover approximately 50 percent of the poster area.
- Use a typeface that is legible from six feet away.
- Use a consistent font throughout.
- Use a minimal amount of punctuation. Avoid abbreviations and acronyms where possible, especially in the conclusions.
- The viewer should be able to grasp the total message in five minutes.
- Feel free to provide one or more key references.

Handouts of your abstract, with your contact information, may facilitate future research communications with fellow conference attendees.

Pre-Conference Activities:
National Prayer for Nurses & Midwives
Friday, August 7, 2020 & Sunday, August 9, 2020

Being a nurse/midwife is more than a job, it is a calling. It is truly a ministry of healing. This year, as we honor the work of nurses and midwives and pray for the blessing, they are to those they serve and to celebrate their gifts and talents, we are calling on all Muslim Leaders to sponsor a prayer session on **Friday, August 7, 2020** and also all Christian Leaders to sponsor a prayer session on **Sunday, August 9, 2020** for Nurses and Midwives throughout the day as a part of the pre activities for the international nursing conference taking place on August 10-15, 2020 in Abuja Nigeria. Nurses and midwives need ongoing prayers as they face opportunities and challenges in caring for others.

Pre-Conference Activities:
Advocacy Day
August 10, 2020
VISITING YOUR LEGISLATORS
ABUJA 2020 INTERNATIONAL NURSING CONFERENCE

“The Year of the Nurse”
Recognizing & Celebrating Nigerian Nurses & Midwives

As part of the activities of the “Year of the Nurse and Midwife” and to help raise the visibility of the nursing profession in policy dialogue, nurses and nursing students across the nation are encouraged to visit with their legislators to discuss their legislative and budget priorities, highlighting and sharing information about the issues most affecting nurses, community/public health, and social justice.

Advocacy Day will offer nurses and nursing students the opportunity to participate in answering questions legislators may have about nursing practice and how nursing contributes to the health care system. It will also provide a forum to address issues such as the nursing shortage and patient safety issues.

It also serves as a forum for the nursing community to present ideas and share concerns about issues affecting the nursing profession and the public in general.

**Welcome to Abuja, Nigeria**

Abuja, city, capital of Nigeria. It lies in the central part of Nigeria, in the Federal Capital Territory (FCT; created 1976). The city is approximately 300 miles (480 km) northeast of Lagos, the former capital (until 1991). During the 1980s the new capital city was built and developed on the grass-covered Chukuku Hills.

The site was chosen for Nigeria’s new capital because of its central location, easy accessibility, salubrious climate, and low population density and the availability of land for future expansion. It was the first planned city to be built in Nigeria. Abuja lies at 1,180 feet (360 metres).
above sea level and has a cooler climate and less humidity than is found in Lagos. The city’s Central Area contains the city hall, national cultural institutes, and other government-related offices. It also contains the Three Arms Zone, which is home to the presidential palace, the National Assembly, the Supreme Court, the National Arboretum, the National Christian Centre, the National Mosque, and Millennium Park, the largest park in Abuja; the National Children’s Park and Zoo is nearby. Other areas provide housing, shopping facilities, and other urban amenities. The National Stadium, a large multisport arena, is located on the western edge of the Central Area. Abuja has an international airport, and expressways connect the federal capital with other cities. Power lines and underground cables conduct electricity to the city; the Shiroro Dam, on the Niger River southwest of Abuja, is one source. Pop. (2006) Abuja Municipal Area Council, 776,298; (2016 est.) urban agglom., 2,940,000.

2020 Scientific Conference Exhibition Booth information

Our conference program is designed to bring new ideas, challenge perspectives and facilitate the growth of nurses and other Healthcare practitioners by providing new ways to be catalysts for change in healthcare at the local, national and global levels. We welcome you to participate in the Conference as an exhibitor.

The following is included on the sponsorship:
- One 6-foot table
- Two chairs
- The table will be in the lobby in front of the banquet hall.

Exhibit time
August 10th-14th: Set up at 7.00am. No exhibit may be dismantled prior to 4:15pm. Dismantling activates must wait until exhibit area is cleared. Exhibit move out hours are: 6pm - 7pm.

Release of liability
FMoH, N&MC, NANNM & NANNNA are not responsible for loss or damage due to any cause. We assume no liability whatsoever for damages or any act of omission. The exhibitor and his/her representative hereby release FMoH, N&MC, NANNM & NANNNA from any and all liability for loss ensuing from any cause whatsoever. These rules and regulation are to be constructed as part of all space/sponsorship contracts FMoH, N&MC, NANNM & NANNNA reserves the right to interpret them as well as make final decisions on all points the rules and regulations do not cover. As an applicant for space NANNNA’s ruling in all issues relative to the conference is final. NANNNA will be exclusively responsible for all table assignment and position of all exhibits. The following will be taken into consideration, but will not be the sole determination factor: order in which reservations are received: number of booth spaces available; suitability and availability of location. NANNNA will make every effort to accommodate ideal space availability, avoid conflicts, and ensure maximum exposure for all exhibitors.
